### ARTIST STATEMENT:

T.S. Pink's SoapRocks are meant to bring wonder to daily life, transforming the most mundane task into an inspiring reminder of nature's beauty. Each extraordinary piece is crafted in the unique shapes and colors of rocks, gems, and beautiful woods. Under water, lighting up with brilliant natural color, their smooth stone-like texture will gently cleanse with a light lather, leaving your skin soft and refreshed. SoapRocks are a hybrid vegetable glycerin soap infused with added extracts of earth - oils, vitamins and minerals.
