

## R. Forest of Color

### ARTIST STATEMENT:

R. Forest of Color is a family ornamental puzzle business with its origins in the Schwarzwald (Black Forest) region of Germany.

Each ornament is made of the finest eastern white pine, is hand cut, one at a time, with attention to great detail. The raw puzzles are sanded to a satin smooth finish, after which they are disassembled and stained, piece-by-piece, in vibrantly colored, non-toxic stains.
