

Beaver Creek Pottery

DARLA HUDSON:

On the wheel and in slabs, North Carolina Artist Darla Hudson expresses her passion for clay and her love of nature in each piece she creates. She is influenced by the elements of her home state, where water, flora and fauna come to life in the colors, textures and shapes of her work. Beaver Creek got its name from several beaver dams on the creek behind her studio. Like Darla's energy, this lively and active area is part of her every clay creation.
